SUSPENSION AND DEBARMENT CERTIFICATION

NOTE: *This form is required for all Federal and State funded bids and is optional for all other bids.*

Definitions:

- Debarment** In general, an exclusion from federal government contracting and subcontracting for a reasonable, specified period of time because an individual or vendor failed to perform or their performance was inadequate.
- Suspension** A disqualification from federal government contracting and subcontracting for a temporary period of time occurs when a company or individual is suspected of engaging in criminal, fraudulent, or seriously improper conduct. Suspension is to be used on an interim basis pending debarment proceedings.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 7 CFR Part 3017, Section 3017.510, Participants' responsibilities. The regulations were published as Part IV of the January 30, 1989 Federal Register (pages 4722-4733). Copies of the regulation may be obtained by contacting the USDA agency with which the transaction originated.

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this form, the prospective lower tier participant (Contractor) is providing the certification set out below in accordance with these instructions.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant (Contractor) **knowingly** rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant (Contractor) shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant (Contractor) learns that this certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant (Contractor) agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant (Contractor) further agrees by submitting this form that it will include this clause title "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible or voluntarily excluded from the covered transaction; unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
 - (a) The prospective lower tier participant (Contractor) certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by a Federal department or agency.
 - (b) Where the prospective lower tier participant (Contractor) is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

**RE: W.J. FREEMAN PARK - PHASE 3
RESTROOM/CONCESSION BUILDING, GROUP PAVILION AND MULTI-PURPOSE LIGHTING**

Dear Mrs. Criswell:

Dalhoff Thomas design|studio has reviewed the bids received on June 13, 2019 for the Phase 3 improvements to W.J. Freeman Park. We received four bids, with a low bid of \$1,755,980.50 from B&B Specialty Contractors, Inc. We have talked to two of the references provided to us by B&B Specialty Contractors, Patrick Chapman with Memphis Health Center (a \$5.6 million project) and Kelly Miller with Exeter Properties (a \$600,000 project). Both references were very satisfied with the quality of their work and indicated that the schedules were met on both projects. We, therefore, recommend that the City accept the base bid from B&B Specialty Contractors.

Sincerely,
Dalhoff Thomas design studio

Section 2. Authorization. For the purpose of providing funds to finance the costs of the Project there shall be issued pursuant to, and in accordance with, the provisions of Title 9, Chapter 21, Tennessee Code Annotated, as amended, and other applicable provisions of law,

the interest bearing capital outlay notes of the Municipality, in the aggregate principal amount of not to exceed \$1,410,000, or such lesser amount as may be determined by the Mayor of the Municipality (the "Mayor") at the time of sale (collectively, the "Notes", individually, the "Note").

Section 3. Terms of the Notes. The Notes shall be designated "General Obligation Capital Outlay Notes, Series 2019". The Notes shall be issued in registered form, without coupons. The Notes shall be numbered from 1 upwards, shall be dated the date of issuance and delivery, shall be sold at not less than the par amount thereof, shall bear interest at a rate or rates not to exceed 3.14% per annum, such interest being payable at such times as agreed upon with the purchaser of such Notes, but in no event less than semiannually each year commencing six months from the dated date or such date as shall be designated by the Mayor (the "Interest Payment Date"), and shall mature not later than the end of the seventh fiscal year following the fiscal year in which the Notes are issued. Each year the Notes are outstanding the Municipality shall retire principal on the Notes in an amount that is estimated to be at least equal to an amortization which reflects level debt service on the Notes. The Notes shall contain such terms, conditions, and provisions other than as expressly provided or limited herein as may be agreed upon by the Mayor of the Municipality and the purchaser of the Notes.

Interest on the Notes shall be payable by wire transfer, electronic means, or by check or other form of draft of the "Note Registrar," as such term is hereinafter defined, deposited by the Note Registrar in the United States mail, first class postage prepaid, in sealed envelopes, addressed to the owner of such Notes, as of the applicable Interest Payment Date, at their respective addresses as shown on the Registration Books of the Municipality maintained by the Note Registrar as of the close of business fifteen (15) calendar days preceding the next Interest Payment Date. The principal of all Notes shall be payable upon presentation and surrender of such Notes at the principal office of the Note Registrar. All payments of the principal of and interest on the Notes shall be made in any coin or currency of the United States of America which, on the date of payment thereof, shall be legal tender for the payment of public and private debts.

Section 4. Redemption. The Notes shall not be subject to redemption, in whole or in part, prior to maturity; provided however, at the option of the Municipality, upon fifteen (15) calendar days' written notice to the registered owner, and with the consent of the registered owner, the Municipality may prepay the Notes in full at the price of par plus a 1% premium, and accrued interest to the date of redemption. Notwithstanding the above, the Municipality may make additional principal payments on the Notes upon fifteen (15) calendar days' written notice to the registered owner.

Section 5. Execution. The Notes shall be executed in the name of the Municipality; shall bear the manual signature of the Mayor; shall be countersigned by the City Clerk of the Municipality (the "City Clerk"), with his or her manual signature; and, shall have printed or impressed thereon the official seal of the Municipality. In the event any officer whose signature appears on the Notes shall cease to be such officer, such signature shall nevertheless be valid

and sufficient for all purposes. The Notes shall be issued in typed, printed, or photocopied form, or any combination thereof, substantially in the form attached hereto as Exhibit "A", with such minor changes therein or such variations thereof as the Mayor may deem necessary or desirable, the blanks to be appropriately completed by the Mayor prior to the issuance of the Notes.

Section 6. Registration, Negotiability, and Payment. (a) The City Clerk of the Municipality is hereby appointed the note registrar and paying agent (the "Note Registrar"), and as such shall establish and maintain suitable books (the "Registration Books"), for recording the registration, conversion, and payment of the Notes, and shall also perform such other duties as may be required in connection with any of the foregoing. The Note Registrar is hereby authorized to authenticate and deliver the Notes to the original purchaser thereof, or as it may designate, upon receipt by the Municipality of the proceeds of the sale thereof and to authenticate and deliver Notes in exchange for Notes of the same principal amount delivered for transfer upon receipt of the Notes to be transferred in proper form with proper documentation as herein described. The Notes shall not be valid for any purpose unless authenticated by the Note Registrar by the manual signature of the Note Registrar on the certificate set forth in Exhibit "A" hereto. The Notes shall be fully registered as to both principal and interest and shall be fully negotiable upon proper endorsement by the registered owner thereof. No transfer of any Notes shall be valid unless such transfer is noted upon the Registration Books and until such Note is surrendered, cancelled, and exchanged for a new Note which shall be issued to the transferee, subject to all the conditions contained herein.

(b) In the event that any amount payable on any Note as interest shall at any time exceed the rate of interest lawfully chargeable thereon under applicable law, then any such excess shall, to the extent of such excess, be applied against the principal of such Note as a prepayment thereof without penalty, and such excess shall not be considered to be interest. All rates of interest specified herein shall be computed on the basis of a three hundred sixty (360) day year composed of twelve (12) months of thirty (30) days each.

Section 7. Transfer of Notes. Each Note shall be transferable only on the Registration Books maintained by the Note Registrar at the principal office of the Note Registrar, upon the surrender for cancellation thereof at the principal office of the Note Registrar, together with an assignment of such Note duly executed by the owner thereof or its attorney or legal representative, and upon payment of the charges hereinafter provided, and subject to such other limitations and conditions as may be provided therein or herein. Upon the cancellation of any such Note, the Note Registrar shall, in exchange for the surrendered Note or Notes, deliver in the name of the transferee or transferees a new Note or Notes of authorized denominations, of the same aggregate principal amount, maturity, and rate of interest as such surrendered Note or Notes, and the transferee or transferees shall take such new Note or Notes subject to all of the conditions herein contained.

Section 8. Regulations with Respect to Transfers. In all cases in which the privilege

of transferring Notes is exercised, the Municipality shall execute, and the Note Registrar shall deliver, Notes in accordance with the provisions of this Resolution. For every transfer of Notes, whether temporary or definitive, the Municipality and the Note Registrar may make a charge, unless otherwise herein to the contrary expressly provided, sufficient to pay for any tax, fee, or other governmental charge required to be paid with respect to such transfer, all of which taxes, fees, and other governmental charges shall be paid to the Municipality by the person or entity requesting such transfer as a condition precedent to the exercise of the privilege of making such transfer. Neither the Municipality nor the Note Registrar shall be obligated to transfer any Note during the fifteen (15) calendar days next preceding the maturity date of the Notes or any call for redemption.

Section 9. Mutilated, Lost, Stolen, or Destroyed Notes. In the event any Note issued hereunder shall become mutilated, or be lost, stolen, or destroyed, such note shall, at the written request of the registered owner, be cancelled on the Registration Books and a new Note shall be authenticated and delivered, corresponding in all aspects but number to the mutilated, lost, stolen, or destroyed Note. Thereafter, should such mutilated, lost, stolen, or destroyed Note or Notes come into possession of the registered owner, such Notes shall be returned to the Note Registrar for destruction by the Note Registrar. If the principal on said mutilated, lost, stolen, or destroyed Note shall be due within fifteen (15) calendar days of receipt of the written request of the registered owner for authentication and delivery of a new Note, payment therefor shall be made as scheduled in lieu of issuing a new Note. In every case the registered owner shall certify in writing as to the destruction, theft, or loss of such Note, and shall provide indemnification satisfactory to the Municipality and to the Note Registrar, if required by the Municipality and the Note Registrar.

Any notice to the contrary notwithstanding, the Municipality and all of the officials, employees, and agents thereof, including the Note Registrar, may deem and treat the registered owner of the Notes as the absolute owner thereof for all purposes, including, but not limited to, payment of the principal thereof, and the interest thereon, regardless of whether such payment shall then be overdue.

Section 10. Authentication. Only such of the Notes as shall have endorsed thereon a certificate of authentication, substantially in the form set forth in Exhibit "A" hereto duly executed by the Note Registrar shall be entitled to the rights, benefits, and security of this Resolution. No Note shall be valid or obligatory for any purpose unless, and until, such certificate of authentication shall have been duly executed by the Note Registrar. Such executed certificate of authentication by the Note Registrar upon any such Note shall be conclusive evidence that such Note has been duly authenticated and delivered under the Resolution as of the date of authentication.

Section 11. Source of Payment and Security. The Notes, as to both principal and interest, shall be payable from funds of the Municipality legally available therefor and to the extent necessary from ad valorem taxes to be levied on all taxable property within the

corporate limits of the Municipality without limitation as to time, rate, or amount. Said Notes shall be a direct general obligation of the Municipality, for which the punctual payment of the principal of and interest on the Notes, the full faith and credit of the Municipality is irrevocably pledged.

Section 12. Levy of Taxes. For the purpose of providing for the payment of the principal of and interest on the Notes, to the extent required, there shall be levied in each year in which such Notes shall be outstanding a direct tax on all taxable property in the Municipality, fully sufficient to pay all such principal and interest falling due prior to the time of collection of the next succeeding tax levy. Said tax shall be assessed, collected, and paid at the time, and in the same manner, as the other taxes of said Municipality, shall be in addition to all other taxes, and shall be without limitation as to time, rate, or amount, and for that purpose there is hereby levied a direct annual tax in such amount as may be found necessary each year to pay said principal of and interest on the Notes maturing in said year. Principal or interest falling due at any time when there shall be insufficient funds on hand from such tax levy for the payment thereof shall be paid from the general fund or other available funds of the Municipality, but reimbursement therefor may be made from the taxes herein provided when the same shall have been collected. Such taxes levied and collected therefor shall be deposited in a the general fund or debt service fund and used solely for the payment of principal of and interest on the Notes as the same shall become due.

Section 13. Approval of Director of State and Local Finance. Anything herein contained to the contrary notwithstanding, no Notes authorized under this Resolution shall be issued, sold, or delivered, unless and until such Notes shall first have been duly approved by the Director of State and Local Finance of the State of Tennessee as provided by Section 9-21-601 et. seq., Tennessee Code Annotated, as amended. The Mayor, City Clerk, Finance Director, City Attorney, and Bond Counsel are hereby authorized to take or cause to be taken such steps as are necessary to obtain such approval. After the issuance and sale of the Notes, and for each year that any of the Notes are outstanding, the Municipality shall submit its annual budget to the State Director of State and Local Finance for approval immediately upon the Municipality's adoption of the budget.

Section 14. Sale of Notes. The Notes herein authorized are authorized to be sold by the Mayor by the informal bid process at a price of not less than par.

Section 15. Disposition of Note Proceeds. The proceeds from the sale of the Notes shall be paid to the official of the Municipality designated by law as the custodian of the funds thereof to be deposited in a special fund known as the "General Obligation Capital Outlay Notes, Series 2019 Project Fund" (the "Project Fund"), which is hereby authorized to be created, to be kept separate and apart from all other funds of the Municipality. The monies in the Project Fund shall be disbursed solely to finance the Project and to pay the costs of issuance of the Notes. Monies in the Project Fund may be invested and shall be secured in the manner prescribed by applicable statutes relative to the investment and securing of public or

trust funds. Any monies remaining in the Project Fund after completion of the Project shall be transferred to the Note Fund.

Section 16. Non-Arbitrage Certification. The Municipality certifies and covenants with the owner of the Notes that so long as the principal of any Note remains unpaid, monies on deposit in any fund or account in connection with the Notes, whether or not such monies were derived from the proceeds of the sale of the Notes or from any other source, will not be used in a manner which will cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and any lawful regulations promulgated thereunder, as the same presently exist, or may from time to time hereafter be amended, supplemented, or revised. The Municipality reserves the right, however, to make any investment of such monies permitted by Tennessee law and this Resolution if, when and to the extent that said Section 148 or regulations promulgated thereunder shall be repealed or relaxed or shall be held void by final decision of a court of competent jurisdiction, but only if any investment made by virtue of such repeal, relaxation, or decision would not, in the opinion of counsel of recognized competence in such matters, result in making the interest on the Notes subject to inclusion in gross income of the owner thereof for federal income tax purposes.

The Municipality covenants that it shall comply with Section 148(f) of the Code, unless legally exempted therefrom and it represents that in the event it shall be required by Section 148(f) of the Code to pay "Rebatable Arbitrage," as defined in the regulations promulgated under the Code, to the United States Government, it will make such payments as and when required by said Section 148(f) and will take such other actions as shall be necessary or permitted to prevent the interest on the Notes from becoming subject to inclusion in federal gross income of the owner of the Notes for purposes of federal income taxation.

Section 17. Resolution a Contract. The provisions of this Resolution shall constitute a contract between the Municipality and the owner of the Notes, and after the issuance of the Notes, no change, variation, or alteration of any kind in the provisions of this Resolution shall be made in any manner, until such time as all installments of the principal of and interest on the Notes shall have been paid in full or the consent of the registered owner of the Notes has been obtained; provided, however, that the Municipality is hereby authorized to make such amendments to this Resolution as will not impair the rights or security of the owner of the Notes

Section 18. No Action to be Taken Affecting Validity of the Notes. The Municipality hereby covenants and agrees that it will not take any action, that would in any manner affect the validity of the Notes or limit the rights and remedies of the owner from time to time of such Notes. The Municipality further covenants that it will not take any action that will cause the interest on the Notes to be subject to inclusion in gross income of the owner thereof for purposes of federal income taxation.

Section 19. Miscellaneous Acts. The Mayor, the City Clerk, the Finance Director, and all other appropriate officials of the Municipality are hereby authorized, empowered, and directed to do any and all such acts and things, and to execute, acknowledge, and deliver all such documents, instruments, and certifications, specifically including but not limited to, making arbitrage certifications and executing a note purchase agreement in connection with the purchase of the Notes, in addition to those acts, things, documents, instruments, and certifications hereinbefore authorized and approved, as may in their discretion, be necessary or desirable to implement or comply with the intent of this Resolution; or any of the documents herein authorized and approved; or for the authorization, issuance, and delivery of the Notes.

Section 20. Failure to Present Notes. Subject to the provisions of Section 3 hereof, in the event any Note shall not be presented for payment when the principal becomes due at maturity and in the event monies sufficient to pay such Note shall be held by the Note Registrar for the benefit of the owner thereof, all liability of the Municipality to such owner for the payment of such Note shall forthwith cease, terminate, and be completely discharged. Thereupon, the Note Registrar shall hold such monies, without liability for interest thereon, for the benefit of the owner of such Note who shall thereafter be restricted exclusively to such monies for any claim under this Resolution or on, or with respect to, said Note, subject to escheat or other similar law, and any applicable statute of limitation.

Section 21. Payments Due on Saturdays, Sundays, and Holidays. Whenever the interest on or principal of any Note is due on a Saturday or Sunday or, at the place designated for payment, a legal holiday or a day on which banking institutions are authorized by law to close, then the payment of the interest on, or the principal of, such Note need not be made on such date but must be made on the next succeeding day not a Saturday, Sunday, or a legal holiday or a day upon which banking institutions are authorized by law to close, with the same force and effect as if made on the date of maturity; and no interest shall accrue for the period after such date.

Section 22. No Recourse Under Resolution or on Notes. All stipulations, promises, agreements, and obligations of the Municipality contained in this Resolution shall be deemed to be the stipulations, promises, agreements, and obligations of the Municipality and not of any officer, director, or employee of the Municipality in his or her individual capacity, and no recourse shall be had for the payment of the principal of or interest on the Notes or for any claim based thereon or under this Resolution against any officer, director, or employee of the Municipality or against any official or individual executing the Notes.

Section 23. Severability. If any section, paragraph, or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, or provision shall not affect any of the remaining provisions hereof.

Section 24. Repeal of Conflicting Resolutions and Effective Date. All resolutions and orders, or parts thereof, in conflict with the provisions of this Resolution, are, to the extent of such conflict, hereby repealed, and this Resolution shall be in effect as of the date of its adoption the welfare of the Municipality requiring it.

Approved and adopted this 25th day of June, 2019.

The Note Registrar is hereby authorized to authenticate and deliver the Notes to the original purchaser thereof, or as it may designate, upon receipt by the Municipality of the proceeds of the sale thereof and to authenticate and deliver Notes in exchange for Notes of the same principal amount delivered for transfer upon receipt of the Notes to be transferred in proper form with proper documentation as herein described. The Notes shall not be valid for any purpose unless authenticated by the Note Registrar by the manual signature of the Note Registrar on the certificate set forth in Exhibit "A" hereto. The Notes shall be fully registered as to both principal and interest and shall be fully negotiable upon proper endorsement by the registered owner thereof. (b) In the event that any amount payable on any Note as interest shall at any time exceed the rate of interest lawfully chargeable thereon under applicable law, then any such excess shall, to the extent of such excess, be applied against the principal of such Note as a prepayment thereof without penalty, and such excess shall not be considered to be interest. All rates of interest specified herein shall be computed on the basis of a three hundred sixty (360) day year composed of twelve (12) months of thirty (30) days each.

Section 7. Transfer of Notes. Each Note shall be transferable only on the Registration Books maintained by the Note Registrar at the principal office of the Note Registrar, upon the surrender for cancellation thereof at the principal office of the Note Registrar, together with an assignment of such Note duly executed by the owner thereof or its attorney or legal representative, and upon payment of the charges hereinafter provided, and subject to such other limitations and conditions as may be provided therein or herein. Upon the cancellation of any such Note, the Note Registrar shall, in exchange for the surrendered Note or Notes, deliver in the name of the transferee or transferees a new Note or Notes of authorized denominations, of the same aggregate principal amount, maturity, and rate of interest as such surrendered Note or Notes, and the transferee or transferees shall take such new Note or Notes subject to all of the conditions herein contained.

Section 8. Regulations with Respect to Transfers. In all cases in which the privilege

of transferring Notes is exercised, the Municipality shall execute, and the Note Registrar shall deliver, Notes in accordance with the provisions of this Resolution. For every transfer of Notes, whether temporary or definitive, the Municipality and the Note Registrar may make a charge, unless otherwise herein to the contrary expressly provided, sufficient to pay for any tax, fee, or other governmental charge required to be paid with respect to such transfer, all of which taxes, fees, and other governmental charges shall be paid to the Municipality by the person or entity requesting such transfer as a condition precedent to the exercise of the privilege of making such transfer. Neither the Municipality nor the Note Registrar shall be obligated to transfer any Note during the fifteen (15) calendar days next preceding the maturity date of the Notes or any call for redemption.

Section 9. Mutilated, Lost, Stolen, or Destroyed Notes. In the event any Note issued hereunder shall become mutilated, or be lost, stolen, or destroyed, such note shall, at the written request of the registered owner, be cancelled on the Registration Books and a new Note shall be authenticated and delivered, corresponding in all aspects but number to the mutilated, lost, stolen, or destroyed Note. Thereafter, should such mutilated, lost, stolen, or destroyed Note or Notes come into possession of the registered owner, such Notes shall be returned to the Note Registrar for destruction by the Note Registrar. If the principal on said mutilated, lost, stolen, or destroyed Note shall be due within fifteen (15) calendar days of receipt of the written request of the registered owner for authentication and delivery of a new Note, payment therefor shall be made as scheduled in lieu of issuing a new Note. In every case the registered owner shall certify in writing as to the destruction, theft, or loss of such Note, and shall provide indemnification satisfactory to the Municipality and to the Note Registrar, if required by the Municipality and the Note Registrar.

Any notice to the contrary notwithstanding, the Municipality and all of the officials, employees, and agents thereof, including the Note Registrar, may deem and treat the registered owner of the Notes as the absolute owner thereof for all purposes, including, but not limited to, payment of the principal thereof, and the interest thereon, regardless of whether such payment shall then be overdue.

Section 10. Authentication. Only such of the Notes as shall have endorsed thereon a certificate of authentication, substantially in the form set forth in Exhibit "A" hereto duly executed by the Note Registrar shall be entitled to the rights, benefits, and security of this Resolution. No Note shall be valid or obligatory for any purpose unless, and until, such certificate of authentication shall have been duly executed by the Note Registrar. Such executed certificate of authentication by the Note Registrar upon any such Note shall be conclusive evidence that such Note has been duly authenticated and delivered under the Resolution as of the date of authentication.

Section 11. Source of Payment and Security. The Notes, as to both principal and interest, shall be payable from funds of the Municipality legally available therefor and to the extent necessary from ad valorem taxes to be levied on all taxable property within the

corporate limits of the Municipality without limitation as to time, rate, or amount. Said Notes shall be a direct general obligation of the Municipality, for which the punctual payment of the principal of and interest on the Notes, the full faith and credit of the Municipality is irrevocably pledged.

Section 12. Levy of Taxes. For the purpose of providing for the payment of the principal of and interest on the Notes, to the extent required, there shall be levied in each year in which such Notes shall be outstanding a direct tax on all taxable property in the Municipality, fully sufficient to pay all such principal and interest falling due prior to the time of collection of the next succeeding tax levy. Said tax shall be assessed, collected, and paid at the time, and in the same manner, as the other taxes of said Municipality, shall be in addition to all other taxes, and shall be without limitation as to time, rate, or amount, and for that purpose there is hereby levied a direct annual tax in such amount as may be found necessary each year to pay said principal of and interest on the Notes maturing in said year. Principal or interest falling due at any time when there shall be insufficient funds on hand from such tax levy for the payment thereof shall be paid from the general fund or other available funds of the Municipality, but reimbursement therefor may be made from the taxes herein provided when the same shall have been collected. Such taxes levied and collected therefor shall be deposited in a the general fund or debt service fund and used solely for the payment of principal of and interest on the Notes as the same shall become due.

Section 13. Approval of Director of State and Local Finance. Anything herein contained to the contrary notwithstanding, no Notes authorized under this Resolution shall be issued, sold, or delivered, unless and until such Notes shall first have been duly approved by the Director of State and Local Finance of the State of Tennessee as provided by Section 9-21-601 et. seq., Tennessee Code Annotated, as amended. The Mayor, City Clerk, Finance Director, City Attorney, and Bond Counsel are hereby authorized to take or cause to be taken such steps as are necessary to obtain such approval. After the issuance and sale of the Notes, and for each year that any of the Notes are outstanding, the Municipality shall submit its annual budget to the State Director of State and Local Finance for approval immediately upon the Municipality's adoption of the budget.

Section 14. Sale of Notes. The Notes herein authorized are authorized to be sold by the Mayor by the informal bid process at a price of not less than par.

Section 15. Disposition of Note Proceeds. The proceeds from the sale of the Notes shall be paid to the official of the Municipality designated by law as the custodian of the funds thereof to be deposited in a special fund known as the "General Obligation Capital Outlay Notes, Series 2019A Project Fund" (the "Project Fund"), which is hereby authorized to be created, to be kept separate and apart from all other funds of the Municipality. The monies in the Project Fund shall be disbursed solely to finance the Project and to pay the costs of issuance of the Notes. Monies in the Project Fund may be invested and shall be secured in the manner prescribed by applicable statutes relative to the investment and securing of public or

trust funds. Any monies remaining in the Project Fund after completion of the Project shall be transferred to the Note Fund.

Section 16. Non-Arbitrage Certification. The Municipality certifies and covenants with the owner of the Notes that so long as the principal of any Note remains unpaid, monies on deposit in any fund or account in connection with the Notes, whether or not such monies were derived from the proceeds of the sale of the Notes or from any other source, will not be used in a manner which will cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and any lawful regulations promulgated thereunder, as the same presently exist, or may from time to time hereafter be amended, supplemented, or revised. The Municipality reserves the right, however, to make any investment of such monies permitted by Tennessee law and this Resolution if, when and to the extent that said Section 148 or regulations promulgated thereunder shall be repealed or relaxed or shall be held void by final decision of a court of competent jurisdiction, but only if any investment made by virtue of such repeal, relaxation, or decision would not, in the opinion of counsel of recognized competence in such matters, result in making the interest on the Notes subject to inclusion in gross income of the owner thereof for federal income tax purposes.

The Municipality covenants that it shall comply with Section 148(f) of the Code, unless legally exempted therefrom and it represents that in the event it shall be required by Section 148(f) of the Code to pay "Rebatable Arbitrage," as defined in the regulations promulgated under the Code, to the United States Government, it will make such payments as and when required by said Section 148(f) and will take such other actions as shall be necessary or permitted to prevent the interest on the Notes from becoming subject to inclusion in federal gross income of the owner of the Notes for purposes of federal income taxation.

Section 17. Resolution a Contract. The provisions of this Resolution shall constitute a contract between the Municipality and the owner of the Notes, and after the issuance of the Notes, no change, variation, or alteration of any kind in the provisions of this Resolution shall be made in any manner, until such time as all installments of the principal of and interest on the Notes shall have been paid in full or the consent of the registered owner of the Notes has been obtained; provided, however, that the Municipality is hereby authorized to make such amendments to this Resolution as will not impair the rights or security of the owner of the Notes

Section 18. No Action to be Taken Affecting Validity of the Notes. The Municipality hereby covenants and agrees that it will not take any action, that would in any manner affect the validity of the Notes or limit the rights and remedies of the owner from time to time of such Notes. The Municipality further covenants that it will not take any action that will cause the interest on the Notes to be subject to inclusion in gross income of the owner thereof for purposes of federal income taxation.

Section 19. Miscellaneous Acts. The Mayor, the City Clerk, the Finance Director, and all other appropriate officials of the Municipality are hereby authorized, empowered, and directed to do any and all such acts and things, and to execute, acknowledge, and deliver all such documents, instruments, and certifications, specifically including but not limited to, making arbitrage certifications and executing a note purchase agreement in connection with the purchase of the Notes, in addition to those acts, things, documents, instruments, and certifications hereinbefore authorized and approved, as may in their discretion, be necessary or desirable to implement or comply with the intent of this Resolution; or any of the documents herein authorized and approved; or for the authorization, issuance, and delivery of the Notes.

Section 20. Failure to Present Notes. Subject to the provisions of Section 3 hereof, in the event any Note shall not be presented for payment when the principal becomes due at maturity and in the event monies sufficient to pay such Note shall be held by the Note Registrar for the benefit of the owner thereof, all liability of the Municipality to such owner for the payment of such Note shall forthwith cease, terminate, and be completely discharged. Thereupon, the Note Registrar shall hold such monies, without liability for interest thereon, for the benefit of the owner of such Note who shall thereafter be restricted exclusively to such monies for any claim under this Resolution or on, or with respect to, said Note, subject to escheat or other similar law, and any applicable statute of limitation.

Section 21. Payments Due on Saturdays, Sundays, and Holidays. Whenever the interest on or principal of any Note is due on a Saturday or Sunday or, at the place designated for payment, a legal holiday or a day on which banking institutions are authorized by law to close, then the payment of the interest on, or the principal of, such Note need not be made on such date but must be made on the next succeeding day not a Saturday, Sunday, or a legal holiday or a day upon which banking institutions are authorized by law to close, with the same force and effect as if made on the date of maturity; and no interest shall accrue for the period after such date.

Section 22. No Recourse Under Resolution or on Notes. All stipulations, promises, agreements, and obligations of the Municipality contained in this Resolution shall be deemed to be the stipulations, promises, agreements, and obligations of the Municipality and not of any officer, director, or employee of the Municipality in his or her individual capacity, and no recourse shall be had for the payment of the principal of or interest on the Notes or for any claim based thereon or under this Resolution against any officer, director, or employee of the Municipality or against any official or individual executing the Notes.

Section 23. Severability. If any section, paragraph, or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, or provision shall not affect any of the remaining provisions hereof.

Section 24. Repeal of Conflicting Resolutions and Effective Date. All resolutions and orders, or parts thereof, in conflict with the provisions of this Resolution, are, to the extent of such conflict, hereby repealed, and this Resolution shall be in effect as of the date of its adoption the welfare of the Municipality requiring it.

Approved and adopted this 25th day of June, 2019.
