2 Resolution 15-14, a resolution to establish the Mayor's salary and vehicle stipend for the four-year period beginning January 1, 2015. (Mark Brown, Chief Administrative Officer)

The State Constitution prohibits "altering the salary prior to the end of the term for which such public officer was selected." A mayoral election will be held in November 2014, therefore the Board must make any changes to the mayor's salary prior to this election.

Mr. Brown pointed out that this resolution gives the mayor a \$500 monthly stipend for vehicle expenses. It additionally adds a fuel reimbursement for any trips beyond 50 miles of the mayor's home or office. The mayor will no longer drive a City vehicle for City or personal business.

This resolution will increase the mayor's salary from \$85,000 to \$95,000 with a \$2,500 increase for each year of the four-year term.

Alderman Simmons moved to amend Resolution 15-14 by combining it with Resolution 16-14. That vote is recorded with this resolution.

Vice Mayor Young said he does not understand the desire to combine the mayor and aldermen's salary resolutions. He believes the desire to combine is to ensure the aldermen also receive a raise.

RESULT:	APPROVED AS AMENDED [4 TO 2]
MOVER:	Bobby Simmons, Alderman
SECONDER:	Paula Sedgwick, Alderman
AYES:	Pleasant, Parsons, Simmons, Sedgwick
NAYS:	Elliott, Young

This vote approves both Resolutions 15-14 and 16-14, which were combined in the previous vote.

Mr. Brown noted that the Aldermen's current salary is \$8,200. This resolution will affect Alderman Positions 1, 2, and 3 for the full four-year term. Alderman Positions 4, 5, and 6 will be affected in 2017 and 2018. Effective January 1, 2015, salaries will increase \$1,100 to \$9,300, then \$900 to \$10,200 in 2016. All six Aldermen will earn \$11,100 in 2017 and \$12,000 in 2018.

Salaries cannot be altered during an elected officials term; Positions 4, 5, and 6 will be up for election in November 2016.

5 First Reading of Ordinance 14-06, an ordinance to adopt the 2014-2015 General Purpose School Budget. (Dick Phebus, Director of Finance)

Mr. Phebus explained that the Bartlett City Board of Education adopted their operating budget last week.

Superintendent David Stephens stated that he and his staff were working with Shelby County Schools to address the issue of principals, whose contracts end June 30 with Shelby County Schools, but who are now working inside Bartlett City School buildings. The Bartlett City School District took ownership of the buildings June 2. Supt. Stephens has a meeting May 28 with Shelby County Schools to resolve the matter.

When the school district presented the Board of Mayor and Aldermen with its fourth quarter budget request, it did not include principals' salaries. Supt. Stephens said he may have to ask the City for about \$105,000 to cover the 11 principals' salaries for June.

Vice Mayor Young asked if this situation was occurring in the other suburban cities. Supt. Stephens confirmed that it was.
