Special Event Temporary Beer Permit Application

Application Signature Page

I hereby make application to the City of Bartlett for a special event temporary beer permit.

The signing of this application acknowledges that I am aware of the laws prohibiting the sale of beer to minors.

I hereby certify that no person having at least 5% ownership interest, nor any person to be employed in the distribution or sale of beer in my organization has been convicted of any violation of the beer or alcoholic beverage laws or any crime involving moral turpitude within the past 10 years.

I understand that making false statement in this application shall precipitate forfeiture of permit and holder shall not be eligible to receive any permit for a period of ten years.

I understand that by submitting this application, a background investigation shall be conducted on the applicant.

I am also aware that I shall not be issued a permit or my permit shall be revoked if my event causes traffic congestion or interferes with schools, churches, or other public places of public gathering, or otherwise interferes with public health, safety and morals.

the Great Danes (who face a staggering 36.7% lifetime risk of death from GDV), Saint Bernards, Weimaraners, and Rottweilers, are most vulnerable. Things like eating one big meal a day, or scarfing food too fast can up the odds. Older dogs or those with a nervous streak are also at higher risk.

If you are gone for a while and your dog hardly eats and then you return and in his excitement he woofs down his whole bowl and runs around, it can be a perfect storm.

Then, there's a 15% of complications 1 issues or infectio intense, and the th any pup going thro breaks my heart.

That's where ga comes in, and I wis knew more about surgery tacks the to the abdominal v venting the deadly doesn't stop bloa but it drops the cl GDV recurring fr to under 5%. Fo Danes, it makes de GDV 30 times less
